

Need some help to select the perfect tree? See Myers advice!

We have a range of Christmas trees for you to choose from which can fit in rooms throughout the home or apartment. With heights ranging from 90cm (2.9ft) to 270cm (8.8ft) and widths ranging from slim to full, you can find the perfect tree that best suits your space!

- All branches are hinged rather than 'hook on' which enables a much easier set up process
- All trees are artificial
- All trees include a metal stand
- All trees are clearly labelled and come with instructions to help the assembling a much easier process

 <p>Oregon Pine Tree</p>	<p>180cm - \$199 210cm - \$299 240cm - \$399</p>	<p>Our Oregon Pine Tree is a beautiful and full tree. Known for having an incredible amount of tips (648) this enables your tree to be thicker and have a realistic and strong appeal. By having so many tips, this allows for heavy decorating and with a strong wired tips and branches it enables you to hang heavier decorations without having to compromise the look of the tree. Our team at Myer have selected this tree for our number one selling theme Australian House and Garden where the shapes, sizes and designs all vary yet still produce a magnificent tree at Christmas time!</p>
 <p>Deluxe Reno Pine Tree</p>	<p>120cm - \$129 150cm - \$149 180cm - \$229 210cm - \$329 240cm - \$429 270cm - \$479</p>	<p>The Deluxe Reno Pine Tree has been our best seller throughout the past few years – Why is this? It's because it is the most natural, realistic, artificial tree that goes with any bauble or tree decoration. Because this tree is so simplistic, there is no limit to how many glitter items you hang or even how many gingerbread, candy canes and Santa's you can hide within the branches of your tree!</p> <p>Myer see this tree best suited for our Luxe or Jingle Bells range, as there is no limitation you can choose any colour, shape and size and it will just work perfectly with this tree.</p>
 <p>Crystal Pine Tree</p>	<p>180cm - \$269 210cm - \$369</p>	<p>The Crystal Pine Tree has glitter detail which really makes this tree come to life in a spectacular fashion! The customer who selects this tree absolutely lives and breath's Christmas time and having that phenomenal tree in their household. This tree is known to be named the 'happy tree' because with having plenty of space, it enables the decorator to hang as many baubles and other decorations such as picks, as they would like! This tree is absolutely perfect for our new and exciting Holiday Opulence theme which has a range of bright colours, big bedazzled jewels, peacock feathers and birds with tails that are never ending!</p>

 <p>Slim Yorkville Pine Tree</p>	<p>210cm - \$229</p>	<p>This gorgeous slim tree is designed with the perfect combination of realistic-looking to give it the lushness of a genuine tree. Gracefully descending branches create a breathtaking scene that sits perfectly in a home or apartment that has minimal space. With its round-shaped tips this extraordinary tree looks as though it were pulled straight out of a mountain!</p> <p>It will bring holiday cheer and warmth in the room and by being able to decorate this tree with any of our themes it really enables the customer to dress this tree with any colour, shape and size that they feel best suits their home.</p>
 <p>Dewdrop Tree</p>	<p>90cm - \$99</p>	<p>Not all homes have enough space to choose a giant, bushy fir tree for your window or your large lounge room, they are not practically for every area of your house.</p> <p>However, for places like an apartment, snug rooms, kitchen or dining room our Dewdrop Tabletop Christmas tree is absolutely perfect and a great alternative.</p> <p>The 90cm Dewdrop Tree doesn't always have to be placed on top of a table, they can also be used in corners or shelves depending on how big the space.</p> <p>It enables the home to still get into the Christmas spirit and have fun decorating a mini tree with only having to use a few hanging decorations.</p>
